For Immediate Release:

“Music West Singers” to Perform 1940s USO-Themed Christmas Concert in Westchester

Travel back to the founding of Westchester, when big band music, war bonds and the Boogie Woogie Bugle Boy were all the rage! Music West, Inc., Westchester’s family musical entertainment group, is proud to present *The Music West Singers* in a throwback concert series this holiday season. Performing on December 1st and 3rd, at 7:00PM each evening, this community choral group, directed by Laura Remington with both adult and youth singers, will present a program involving such hits as *Jingle Bells* as sung by Bing Crosby and The Andrews Sisters, *Christmas Island*, and a beautiful arrangement of *The First Noel and Pachelbel’s Canon*. Additionally, the show will include secular songs and choreography from some of the period’s most beloved musicals and entertainers, including *42nd Street* and *“That’s Entertainment!”*. A full scale, 1940s period set, vintage costumes and a live band will accompany the Singers, promising a lively and memorable evening of family entertainment for audiences of all ages!

Two performances will be held at a facility which was actually constructed during this same period – the historic *Westchester Townhouse* – located at 8501 Emerson Avenue Westchester, CA 90045. Discounted tickets are on sale now at www.musicwest.org starting at only \$10.00 each (Visa/MC accepted with no additional fees). Seating is limited, so please visit the website or call 310-692-0006 for additional information on this production or to learn more about Music West, Inc.
