

## "A Christmas Carol" opens first week of December

The timeless Charles Dickens story, "A Christmas Carol," opens in Westchester for a two-weekend run beginning Friday, December 4 and continuing through Saturday, December 12.

Brought to the stage by Music West, Inc., this production will feature music, dancing and extraordinarily realistic scenery to transport audiences back to Victorian England for a truly memorable Christmas experience. Performances will be offered at the historic Westchester Townhouse, located in the heart of the Westchester.

Featuring a cast of both leading adults and young people from in and around the Westchester area, all of the classic characters and scenes from the story will be brought to life in this musical production, including Ebenezer Scrooge, Bob Cratchit, Tiny Tim, the ghosts and a beautiful Christmas Choir. For two weeks this December, the Westchester Townhouse will be "transformed" into a Christmas wonderland, complete with traditional decor and hot cider available for the audiences.

Six performances will be shown at the Westchester Townhouse, located at 8501 Emerson Avenue in Westchester on Fridays, December 4 and 11 at 7 p.m. and Saturdays, December 5 and 12 at 2 p.m. and 7 p.m. Discounted presale tickets are available at [www.musicwest.org](http://www.musicwest.org) for \$10 each, up to 24 hours before show time, and regularly priced tickets will be available at the door for \$15. VIP seats are available, and seating is limited, so please call (310) 692-0006 for additional information on this production and to learn more about Music West, Inc., a non-profit musical entertainment organization dedicated to providing Broadway-caliber entertainment, always in a family-friendly atmosphere.
