●DIRECTOR'S NOTES●

Dear Friends,

I am thrilled to present our rendition of "Singin' in the Rain"! Our cast features a phenomenal mix of "show veterans" and new faces, and our family participation (including parents/children together) continues to grow! Working with each of them has truly been an inspirational experience, and I am deeply privileged to have had the honor of directing such a talented, good-hearted cast during this run.

As always, no production can be completed without the generosity from the team members, volunteers, and donors who are listed in this program. I continue to be grateful to our Board of Directors for their expertise and leadership; to the Westchester Woman's Club, who became our first Event Sponsor this year with their overwhelming donations; and to Michael LeDuff and the MCL and Associates staff, without whom we would not have been able to exist for the past 9 years. Working with Kaitlyn Schwerdtfeger, Mark Calde, and Mary Phan has been absolutely amazing – and along with the talented Carly Syta and Will Higbie, represented an entirely new production/run team for us (aside from Laura and myself)! Eddie Ozawa, Shannon Cody, Anna Cody, Patrick Doherty, Karen Lask, Jennifer Kaczor, Teressa Syta, Jim & Sheila Nichols, Liz Remington and Frank Hubert have also provided tremendous technical assistance and/or financial contributions, and together with all who are acknowledged in this program, we have been extremely blessed by their presence throughout this production!

Please support our sponsors and advertisers, and I hope you will join us as we continue to offer family-friendly, live musical entertainment for our community, especially as we prepare to celebrate our 10th Anniversary next year. Thank you for your support, and enjoy the show!
